ABOUT US

NINGBO TEC IMP.& EXP.CO.,LTD Established in 2001, TECN CO. is a professional manufacturer and exporter that is concerned with the design, development and production of home appliances. We are located in Ningbo City Zhejiang Province, with convenient transportation access. All of our products comply with international quality standards and are greatly appreciated in a variety of different markets throughout the world.

We have over 50 employees, an annual sales figure that exceeds USD30,000,000 per year.

And are currently exporting 80% of our production worldwide. Our well-equipped facilities and excellent quality control throughout all stages of production enables us to guarantee total customer satisfaction.

As a result of our high quality products and outstanding customer service, we have gained a global sales network reaching North Africa, Middle East Country and South East Country.

If you are interested in any of our products or would like to discuss a custom order, please feel free to contact us. We are looking forward to forming successful business relationships with new clients around the world in the near future.
